## MARGIN CHANGE FORM

In connection with my foreign exchange trading account carried by Forex Capital Markets, LLC, ("FXCM"), the undersigned hereby ratifies and confirms that he/she has agreed to a set margin requirement. The standard margin requirement is 1% and increases based on account size. **However, margin requirement is variable and may be changed at any time at the sole discretion of the dealing desk, based on account equity, simultaneous open positions, and market volatility.**

Account Number(s) ("NEW", if new account)

Joint Account Holder (if any)		
Last Name	First Name	Middle Name

The above Trader/Trading Agent requests his margin requirement be changed from the current margin requirement to the one indicated below. All margin requests will be reviewed and are subject to approval. **If approved, the new margin requirement will be processed within two business days of receipt and will affect both existing and new positions.**

**NEW Margin Requirement:** \_\_\_\_\_

Because the risk factor is high in the foreign exchange market trading, only genuine "risk" funds should be used in such trading. If Trader/Trading Agent does not have the extra capital the Trader/Trading agent can afford to lose, Trader/Trading Agent should not trade in the foreign exchange market. No "safe" trading system has ever been devised, and no one can guarantee profits or freedom from loss.

**The undersigned agrees that he/she understands and certifies that they have the financial resources to enter this Agreement and that all trading objectives have been explained. The undersigned acknowledges having received, read and understood the foregoing Margin Requirement Change.**
